

Terms and Conditions for AA Member Benefits at Bay Audiology

Effective from 1 October 2018

In partnership with AA (NZ Automobile Association), AA Members can receive the following offers in accordance with the terms and conditions below

- (1) Free hearing check appointment
- (2) Free full diagnostic hearing consultation
- (3) Special discount offers on hearing aids – get \$1,000 off selected hearing aids

General terms and conditions:

(1) Free hearing check appointment

- Bay Audiology is offering AA Members free hearing checks to new and current clients aged 15 years and over.
 - This is a basic screening check to determine if hearing loss is present.
 - If you suspect you have hearing loss, we may recommend a full diagnostic hearing test (valued at \$79) so we can determine the extent of hearing loss and find the most suitable options for you.
 - To qualify, the AA Member must have a valid membership card and present their card at the time of the appointment.
 - AA Member benefits are non-transferrable to another family member / person

(2) Free full diagnostic hearing consultation

- Bay Audiology is offering AA Members free full diagnostic hearing consultations to those clients who have had a hearing check or have been referred to the consultation by a Bay Audiology staff member.
 - To qualify, the AA Member must have a valid membership card and present their card at the time of the appointment.
 - AA Member benefits are non-transferrable to another family member / person
 - The free consultation is to the value of \$79.

(3) Special discount offers on hearing aids

- Bay Audiology is offering a limited time discount of \$1,000 off, when you buy selected hearing aids.
- Offer available on the following products:
 - ReSound LiNX Quattro Rechargeable hearing aids (binaural purchases only)
 - Phonak Titanium hearing aids
- Monaural purchases of the Phonak Titanium hearing aids will get \$500 off.
- Monaural purchases of the ReSound LiNX Quattro Rechargeable hearing aids are excluded from this offer.
- ACC fully funded, Veterans' Affairs, Insurance, Ministry of Health fully funded and other third-party funded clients are not able to receive the bonus offer.

- ACC fully-funded clients that choose to top-up a minimum of \$500 including GST on hearing aid technology (excludes accessories and total care packs) are eligible for the bonus offer. The maximum top-up would be \$6,292.10 including GST. Top-up amounts range depending on the ACC funding level and how many levels of technology the clients wants to top-up. There is a range of hearing aid products within this range.
- Offer cannot be redeemed for cash.
- Clients can earn base Airpoints Dollars on purchases as well as the bonus offer.
- Airpoints bonus offer is only available for hearing aids purchased between 3 September 2018 to 31 October 2018 from Bay Audiology clinics.
